# Announcement

---

For a number of years we have been working definitely toward the plan of disposing of our annual calf crop at public auction. But until now we have never felt that we could spare a sufficient number of the class that we desired to consign to such a sale. By careful selection and the increase of breeding females of the best available individuality and richest blood lines, we have finally reached the point toward which we have long aimed, and we include in our November 22d sale the choice of our 1915 and 1916 productions. We are retaining representatives, similar in character and value, of these families in order that our present blood lines and standard may be maintained. We invite a critical inspection of the individuals we have listed and a careful analysis of their pedigrees.

Since we began breeding Shorthorns, nearly thirty years ago, our entire business has been the breeding and growing of Shorthorns, and we expect to make it our business for many years to come. We have, from the first, tried to produce the type that would prove the safest investment for the average farmer and breeder. From time to time we have purchased breeding herds in which the type was fixed and have retained the most select producers for our own use. This has enabled us to improve the standard, and today our herds are generally accorded a place among the best bred and best

individual Shorthorn herds in the country. If we have even approached this, we feel that we have accomplished something worth while as cattle breeders.

For more than a dozen years, Shorthorns of our breeding have been prominent winners in the leading shows of the country. Yet we have a greater pride in the fact that our cattle have been regarded by practical cattle raisers as of the desired type and have, with scarcely an exception, been liberal profit-makers in the hands of the purchasers, and have contributed to the improvement of other herds.

This will be our first sale at the farm, and we extend a cordial invitation to all who may be interested to attend. We expect to hold a similar sale each year in which we will offer the best of our young things. In this offering we include our entire show herd except Village Marshal. There are 16 heifers and 2 bulls by Maxwalton Rosedaie; 10 heifers and 4 bulls by Prince Valentine 4th, a repeated show winner, a bull of wonderful quality and flesh covering, possessing remarkable constitutional vigor and unquestionably one of the outstanding sires in service in Kansas; 4 heifers and one bull by Dale's Cumberland, by the celebrated Cumberland's Last and out of a dam by the great Avondale; 4 heifers by Crusader, a splendid breeding son of Barmpton Knight, 3 of them members of our show herd.

Mail Bids—Parties who find it impossible to be present on sale day may send bids to any of the auctioneers or to us and same will be fairly dealt with.

**Guarantee**—The bulls and all females of breeding age are guaranteed breeders if given proper care. Should any fail to breed after a reasonable trial, we reserve

the right to have them returned to us for further trial. If in our hands such animals fail to breed, we will refund the purchase price or replace them with an animal of equal value, the shipping expense to be paid by the purchaser. Females under breeding age are guaranteed to be without known defects. Certificate of health will be furnished with all animals going into states requiring it.

All animals will be at purchaser's risk as soon as bid off, but will be given the same care as our own and will be placed on board of cars at Wakarusa free of charge.

**Terms**—Cash. Parties desiring to give notes who are not personally known to us should favor us with bank references.

**Auctioneers**—Carey M. Jones, Fred Reppert, L. R. Brady.

**Location**—Wakarusa is on the main line of the Santa Fe, twelve miles south of Topeka, the capital of the State.

Kindly bring this catalogue with you to the sale.
